Important Information Please do not forget that Cuba is still suffering from the embargo of the USA – that also means that the amount of rental cars in Cuba is limited, **Especially for high season i.e. on X-Mas the rental cars are always booked out for month in advance. If you need a car for the high season please make the reservation in time.** On „last minute" terms you will not be able to get a car.

Cubacar / Transtur / REX offers you a mandatory full risk insurance (with or without a certain amount of excess), which covers:

- car damages caused by collision or fire
- partial or total theft
- damages caused to third persons (limit - see below)
- damages to driver or other persons inside the vehicle.

Third Party Insurance Coverage for rental cars in Cuba

Legal limits for liable responsibility against damages to third party for any of the damages coverage: damages against damages to other people's properties because of an accident, until 15.000,- CUC. Corporal injury or death of a person until 5.000,- CUC. Corporal Injury or death of more than one person as a result of an accident, subject to a limit per person of 5.000,- CUC but only until 25.000,- CUC in total.

We recommend to get an insurance which covers more than the official third party insurance coverage. Please check with your own cars insurance, whether a rental car third party insurance is included. You will also get information at your official automobile club in your country.
